Dave,

Sounds intriguing. Wait until the Jan 16 call to report on your meeting today? I noticed you are able to attend that call.

Jayne - I may have something to report after my 10:00am meeting with OR DEQ today. This is somewhat of a technical prep meeting with DEQ in anticipation of a meeting I've already let OR CZARA folks know about: EPA, NOAA Fisheries, DEQ and ODF are meeting on Jan. 22, 2014 to discuss ODF riparian management options for small and medium fish streams. Alan, Teresa, and Peter will be at both meetings. Dave

p.s. I wouldn't advertise today's meeting broadly given DEQ political issues on the forestry front.

Is this anything I should report from you? Have you heard any reactions or received any feedback?

Thanks Jayne. I'll be meeting with ODEQ on riparian management options at 10:00 so would appreciate a recap on the FOIA stuff. Alan will be on the phone for our ODEQ forestry meeting too. Dave
